**Statement for
House Committee on
Finance
Public Hearing - February 27, 1989**

The Environmental Center submitted testimony on HB 515 and the companion bill SB 536 at previous hearings before the House Committee on Agriculture and the Senate Committee on Agriculture and Environment. Copies of our earlier testimonies are provided for your information. We are pleased to note that the concerns expressed in our previous statements have been addressed in the subsequent Standing Committee Report no. 218, and HB 515 HD 1. We therefore concur with the intent of HB 515 HD 1.
